INTRODUCTION

The Abstract of Statistics 1980-81, the Seventeenth issue in the series, contains Administrative Statistics and data relating to various socio-economic facets of the Union territory of Pondicherry tabulated in time series region-wise, and presents figures available for the latest year.

2. Our task has been greatly facilitated by the unstinted co-operation that we have received from the Heads of Departments/Offices and Local Bodies in the collection of information and the same is acknowledged with thanks.

3. The reference period of the data published in this issue vary according to the nature of the subject. In other words, they relate to either the calendar years 1979 and 1980 or the financial years 1979-80 and 1980-81, agricultural, co-operative years, 1979 and 1980.

4. To highlight some of the salient trends in respect of a few sectors of the economy, six Statistical charts are included in this publication.

5. The appendix furnishes data relating to agricultural holdings in the Union territory of Pondicherry, classified category-wise as per Agricultural Census, 1971 and data on 1981 Population Census.

| 2. Still birth rate per 1,000 Live and still birth | $\frac{\text{Total still birth} \times 1,000}{\text{Total live births} + \text{Total still births}}$ |
| 3. Infants death rate | $\frac{\text{Total infant deaths} \times 1,000}{\text{Total live birth}}$ |
| 4. Maternal Mortality rate | $\frac{\text{Total maternal deaths} + 1,000}{\text{Total live birth.}}$ |

This section present data relating to employment in public and private sectors, data relating to Employment Exchange, and wages paid to agricultural and skilled labourers.

TABLE 13.1 to 13.3 : Present results of the census of Government Employees, all the employees working in the offices of the Pondicherry State Government and its industrial and commercial undertakings have been included. For this census those who are on the pay rolls of the establishment have been taken as regular staff. The staff paid from contingencies, workcharged personnel, and those employed on daily wages have been classified as non-regular staff. Casual daily rated labour employed for less than a month and contractor's labour have not been included. The Ex-French employees whose pay scale start with a minimum of Rs. 500 or more have been taken as Gazetted Officers. Those who have been confirmed and hold substantively the post against which they are shown on the date of census, have been taken as permanent employees though working temporarily or officiating in any temporary post on the date of census, have also been taken as permanent. All those who are not confirmed and do not hold substantively any post on the date of census have been taken as temporary persons appointed in leave arrangements and temporary employees officiating in permanent posts have been shown as temporary. Basic pay includes personal or special pay, if any, but excludes dearness allowance and other allowances.
